

# 2025 IMPACT LEADING BY DESIGN

**GOD IS USING YOU TO INFLUENCE MINISTRY LEADERS, CHRISTIAN COACHES, & NEXT GENERATION LEADERS ACROSS THE GLOBE!**

**HERE ARE A FEW EXAMPLES OF WHAT GOD HAS DONE THROUGH YOUR PARTNERSHIP THIS YEAR.**

## CHRISTIAN COACHES

God opened up several more opportunities for me to encourage and equip the growing community of Christian coaches worldwide. Earlier this fall, the Professional Christian Coaching Institute invited me to present a seminar on trusting God to develop our character and competence as coaches. Here's a picture of some of the 60 coaches who attended from across the globe. As these coaches develop, God uses them to create big ripples in their families, ministries, and communities.

## NEXT GENERATION LEADERS

Since 2020, you have sent me to invest in future leaders at the beginning of their year-long discipleship program in the Rockies. Through our team session and their individual strengths coaching sessions, 8 interns gained new awareness of and appreciation for their unique God-given design.

Our conversations will help launch them into their next contributions in God's kingdom. One intern shared their gratitude: "Getting to learn more about myself and how I interact with others has been such a huge help for me and it has been really fun to make connections among all of my strengths."

These testimonies and facts give you a quick glimpse of how God is using your generosity and faithfulness in prayer to impact leaders thru Leading by Design. To learn more about what your partnership makes possible, visit [leadingbydesign.us](http://leadingbydesign.us).

## MINISTRY LEADERS

Most ministry leaders are intently focused on transforming others' lives but they are rarely intentional about their own personal and professional transformation. Your partnership enables me to meet with numerous leaders and members of their ministry teams. One, an Anglican priest and trauma expert, shared:

“Being offered coaching sessions with Scott was literally an answer to prayer, and remains an ongoing blessing to me and my ministry. I am so appreciative of this opportunity to set aside time for reflection, inspiration, encouragement, affirmation, and challenge—all in due season and God's timing. Scott's insights and wisdom in both responses and times of silence provide a safe space to receive and have enriched me personally as well as my ministry, with the essential addition of all being held in faith and prayer.”
